

Highlights from the
2017 IAR Qur'an Competition

An Noor Qur'an Academy would like to thank all of the participants and volunteers in this year's Qur'an competition, as well as the IAR and Imams for their support. For those who missed out on this blessed competition and awards ceremony on Saturday, August 19th, attached are some photos and a list of winners for each category.

Each winner received gift cards ranging from \$50 to \$300, and every participant left with a prize. We hope competitions such as these will Insha'Allah help strengthen the bonds our youth forge with the Holy Qur'an.

We need your strong support and participation to make next year's event even better Insha'Allah!
