This form prepared by the Islamic Association of Raleigh  
Raleigh, North Carolina

## DISCLAIMER

This enclosed will form is prepared as a basic format for use by Muslims in North Carolina in the realization of their faith. A great deal of effort has been put into making this form a very good document from the legal as well as Shari'ah points of view. Credits go to the Muslim Student Association of the US and Canada and the Islamic Society of North America for their work in developing a prototype of this will. The Islamic Association of Raleigh, Islamic Center of Raleigh, Raleigh, North Carolina assumes no legal responsibility and carries no liability in relation to the use of this form, Last Will and Testament.

The IAR does recommend that every adult Muslim living in North Carolina have his/her Last Will written and kept in a secure place. IAR, being a religious organization, cannot be named as an executor or a guardian in any will and will not accept any such delegation. However, IAR will nominate and appoint a qualified person to be the executor of this Last Will and Testament in case the persons nominated and appointed are unwilling or unable.

In the name of Allah, the most beneficent, the most merciful,

## LAST WILL AND TESTAMENT

I, \_\_\_\_\_, presently residing at \_\_\_\_\_ being of sound mind and memory, do hereby revoke any and all former Wills and codicils made by me, and do make, ordain, publish and declare this my **LAST WILL AND TESTAMENT**.

## PREAMBLE

I bear witness that there is no deity but Allah, the One, the Merciful, Almighty God--Creator of the heavens and the Earth and all therein--God of Abraham, Moses, Jesus, Muhammad, and all the Prophets, mercy and peace be upon them. He is One God and He has no partner. And I bear witness that the Prophet Muhammad is His servant and His messenger and last of all the Prophets, mercy and peace be upon them all. I bear witness that Allah is the Truth, that His promise is Truth, that the Meeting with Him is Truth. I bear witness that Paradise is Truth and that Hell is Truth. And I bear witness that the coming of the Day of Judgement is Truth, there is no doubt about it, and that Allah, who is exalted above all deficiency and imperfection, will surely resurrect the dead of all generations of mankind, first and last and those in between. This is my counsel to my relatives and friends, my Muslim brothers and sisters, and all those who remain after me, that they strive to be true Muslims, that they submit to their Creator, may He be exalted, and worship Him as He alone is to be

worshipped, fear Him as He alone is to be feared, and love Him and His Prophet Muhammad with a complete love that is rivaled by nothing besides them. Let them obey Him and hold fast to His Shari'ah (laws). Let them die only in a state of complete submission to His will. I remind them that no man or woman dies before his/her time. The exact duration of each life span is precisely determined before we are born, by the All-powerful Creator, may He be exalted. Death is tragic only for the one who lived out his/her life in self-deception without submitting to the Creator and preparing for the final return to Him. So, do not preoccupy yourself with my death, but instead, make the proper preparations for your own. Maintain patience and self-composure as the religion of Islam requires. Islam permits female relatives to mourn no more than three days, although a widow is allowed to mourn for four lunar months and ten days, until her iddah (period of waiting) is completed. Wailing and excessive lamentation is forbidden by the Creator, and it only reflects lack of understanding and dissatisfaction with the will of the Creator, may He be exalted. Finally, I ask my relatives, friends, and all others, whether they hold the same beliefs as mine or not--to honor my Constitutional rights to those beliefs. I ask them to honor these documents which I have made, and not try to obstruct it or change it in any way. Rather, let them see to it that I am buried as I have asked and let my properties be divided as I wanted them to be divided.
