Do your part by helping those less fortunate.

On Saturday April 25, a powerful 7.8 magnitude earthquake, the worst that they have experienced in 80 years, struck Nepal. Almost a month later, there have been reported 7,500 deaths, 14,500 injuries, and those numbers keep rising. Families have been torn apart, children have been orphaned, homes have been destroyed, thousands are injured and are in critical condition. Nepal still needs all the help it can get, and each and every one of us has a moral responsibility to provide the most relief that we can.

One way you can help is by attending this charity dinner hosted by Panther Creek High School MSA and sponsored by the Social and Welfare Committee at the Islamic Association of Raleigh. Cost is $10 per person and $40 for family, and 100% of the money collected will go to Nepal disaster relief through Islamic Relief, USA.
